Boreal Applications Inc. warrants new products manufactured by it to be free from defects in materials and workmanship, under normal use and servicing, for the periods specified on the accompanying table and commencing on the earliest of the date of sale to the first end-user or first assignment into a rental fleet (but not to exceed 36 months following delivery from Boreal Applications Inc.). Boreal Applications Inc's sole obligation under this warranty is limited to the replacement or repair of the product or part(s) at no charge delivered F.O.B. from its designated facility, if determined by Boreal Applications Inc. upon inspection to have been defective in materials or workmanship.

Warranty with respect to products, parts, components and accessories not manufactured by Boreal Applications Inc. is strictly limited to the warranty extended by the manufacturer of those items. Engine manufacturers are solely responsible for engine warranties.

LIMITATIONS OF LIABILITY

Boreal Applications Inc. liability for special, incidental, or consequential damages is expressly disclaimed. In no event shall Boreal Applications Inc's liability exceed the purchase price of the product in question. Boreal Applications Inc. makes every effort to ensure that all illustrations and specifications are correct, however, these do not imply a warranty that the product is merchantable or fit for a particular purpose, or that the product will actually conform to the

illustrations or specifications. Our obligation under this warranty is expressly limited at our option to the replacement or repair at our manufacturer location, is such part or parts at inspection shall disclose to have been defective. Boreal Applications Inc. does not authorize any other party, to make any representation or promise on behalf of Boreal Applications Inc. or to modify the terms, conditions, or limitations in any way. It is the buyer's responsibility to ensure that the installation and use of Boreal Applications Inc's products conform to local codes. While Boreal Applications

Inc. attempts to ensure that its products meet national codes, it cannot be responsible for how the customer chooses to use or install the product. THE WARRANTY CONTAINED HEREIN IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY LIMITED TO THE DURATION OF THIS WRITTEN WARRANTY.

Boreal Applications Inc. reserves the right to make any changes to a Boreal Applications Inc. product at any time without incurring any obligation with respect to any product previously, ordered, sold, or shipped.

WARRANTY REPAIRS

Warranty claims must first contact Boreal Applications Inc's Service Department to be issued a warranty repair number (WRN). You will need a copy of your invoice and the equipment serial number.

If new parts are needed, they will be invoiced to you as normal. Defective parts are to be sent to us PREPAID for warranty consideration. If a part is found to be defective, a credit will be issued to cover the costs of parts. All work is to be performed at the manufacturers' place of business when returned PREPAID. This warranty will not cover labor if warranty work is conducted at the customer's place of business. Road service will be charged at the normal rate in these situations.

WARRANTY DOES NOT COVER DEFECTS CAUSED BY:

- Neglect of the periodic maintenance as specified in the operation manual.
- Improper repair or maintenance.
- Operating methods other than those indicated in the operation manual.
- The use of non-genuine Boreal Applications Inc's parts or accessories other than those approved by the manufacturer.
- Exposure of chemical agents, such as: Sea Water, Sea Breeze, Salt, or other environmental phenomenon.
- Collision, fuel contamination or deterioration, neglect, unauthorized alteration or misuse.
- Warranty does not apply when pump or accessory is altered or used in excess of recommended speeds, pressure, temperatures, or handling fluids not suitable for pump or accessory material.
- Warranty does not apply to normal wear (such as but limited to seals, packing valves, plungers and sealing O-Rings), freight damage, freezing damage or damage caused by parts or accessories not supplied by the manufacturer.
- Improper or negligent operation or installation, accident, abuse, misuse, neglect, unauthorized modifications, including, but not limited to, the failure of the customer to comply with recommended product maintenance schedules.
- Usage which is contrary to the intended purpose of the equipment.
- Natural calamities or disasters including, but not limited to, floods, fires, wind, freezing*, earthquakes, tornados, hurricanes and lightning strikes
- Freezing in a non-winterized machine.
